September, 2009

Dear School Administrator and Faculty,

On behalf of the Commission on Parish Schools (CPS), which serves as the accreditation board of WELSSA, I have the privilege of informing you that your school has been unanimously approved for **exemplary** accreditation for the 2009-2010 school year. The evaluation of your report revealed that your school is striving for continuous improvement and quality.

With this letter you will find your certificate of accreditation and a copy of the reviewer's assessment of your school's annual report. Carefully examine the review since it may have suggestions on how to improve your school's annual report. It is important to incorporate these suggestions as you work on your school improvement plan throughout the year. Feel free to contact me if you have any questions on any of the reviewer's suggestions.

A certificate of accreditation from the National Council for Private School Accreditation (NCPA) is included in this packet. See the accompanying letter from NCPA for an explanation of this certificate.

On behalf of the CPS, I congratulate you on your efforts and pray that the Lord will continue to bless your ministry as you strive to advance the Gospel of Jesus Christ.

Christ's fellow servant,

Jeff Inniger
